29 **Pastor Fausto Palafox, et al**

30 Defendant.

31 Case No. 2:16-cr-265-GMN-CWH

32 **Stipulation To Continue Response**
33 **Deadline**

34
35 The United States, by and through undersigned counsel, and the defendants,
36 by and through their undersigned counsel, stipulate that the government be given
37 an additional ten days to file its responses to defendants' pre-trial motions and that
38

1 the defendants be given an additional ten days to file their replies to the responses.
2 Presently, the deadline for filing responses to pre-trial motions is September 17,
3 2018, and for filing replies to the responses is October 1, 2018. ECF No. 689.

4 The parties enter into this stipulation for the following reasons:

5 1. The Defendants filed at least 29 pre-trial motions on or before the
6 deadline of August 13, 2018. The government is working diligently to prepare its
7 responses to the motions, but due to the number of motions filed and the other
8 obligations of the government attorneys, the government needs the additional ten
9 days to file its responses.

10 2. The additional time will not affect the scheduled trial date of January
11 28, 2019.

12
13 Respectfully submitted this 17th day of September, 2018.
